Holy Consecration

Dearly beloved in Christ

Warm greetings in the spirit of joy and love! As we approach the feast of Nativity and the dawn of the New Year, we are elated to invite you and your loved ones to partake in a blessed service.

The newly constructed San Antonio **St Mary's Indian Orthodox Church** sanctuary will be consecrated by **H.G Dr Thomas Mar Ivanios**, the Metropolitan of the South-West America Diocese, with the assistance of the other clergy.

The consecration marks a significant milestone in our journey of faith and spiritual growth, and we would be honoured by your prayers and presence on this blessed occasion. We cordially invite you to join us on the 29th & 30th of December 2023 at our church. Consider this as a personal invite.

May the incarnate love of Christ, celebrated in the spirit of Christmas, illuminate your hearts, and may the coming New Year unfold with divine hope, abundant blessings, and the prosperity that flows from the grace of our Lord.

On behalf of Vicar, Very Rev. Sakhariah Ramban, and the San Antonio St. Mary's Indian Orthodox Church Family,

Church Consecration Committee.
