Blessings to our dearly beloved Cor-Episcopoi, Priests, Parish Managing Committee members, and all the faithful,

The various spiritual organizations of the Church were formed in order to cater to the needs of all people in the Church including men, women, young adults, youth, and children. While each spiritual organization serves its own purpose, there must always be active participation for it to grow. It is our hope that the Spirit of God will lead us to organized and effective ministry, with the greatest benefit for each person of the Church.

As the Diocese grows, there is a need to develop our spiritual organizations and ministries so that outreach can be done more effectively. The following individuals are appointed to serve the various spiritual organizations and ministries for the Diocese of Southwest America until further orders:
