

The background of the entire image is a light gray gradient. Scattered across this background are numerous water droplets of various sizes and shapes. Some are large and prominent, while others are small and subtle. The droplets have a realistic appearance with highlights and shadows, giving them a three-dimensional effect. They are distributed across the top, bottom, and sides of the frame, framing the central text.

LUKE 5 :12-16

Symptoms of **LEPROSY**

Jesus Cleanses a Leper

12 And it happened when He was in a certain city, that behold, a man who was full of leprosy saw Jesus; and he fell on *his* face and ^[a]implored Him, saying, "Lord, if You are willing, You can make me clean."

13 Then He put out *His* hand and touched him, saying, "I am willing; be cleansed." Immediately the leprosy left him. **14** And He charged him to tell no one, "But go and show yourself to the priest, and make an offering for your cleansing, as a testimony to them, just as Moses commanded."

15 However, the report went around concerning Him all the more; and great multitudes came together to hear, and to be healed by Him of their infirmities.

16 So He Himself *often* withdrew into the wilderness and prayed.
